

Commercial Transportation Program

Our transportation program has the capability to write a broad range of risks from owner-operators to large fleets, extra heavy trucks to light vans, box truck to pick up trucks. We can write motor carriers hauling product for hire as well as private motor carriers hauling their own goods.

Our appetite is broad because our knowledge and experience is extensive.

ABOUT US

Bellingham Underwriters (BU) is a long-established underwriting management firm nestled near the Canadian border. We specialize in Commercial Trucking, Ambulance, and Logging insurance. Originally a branch office of a larger MGA, the doors first opened in 1997. The company has grown and changed over the years including joining Arrowhead General Insurance Agency, Inc. in 2015. Our reliable customer service, industry experience, and knowledge are reasons why our retail agents choose BU.
