

BULK CEMENT/DRY BULK MATERIALS

We can support motor carriers hauling a wide range of dry bulk commodities, including (but not limited to) bulk cement, powered lime, gypsum, fly ash, sand, and other non-hazard dry bulk materials.

We focus on truckers engaged in **commercial and industrial pick-up and delivery**, serving batch plants, manufacturers, processors, and work sites — not residential contractors or home-delivery operations.

ELIGIBILITY

- Drivers must be at least 25 years old for established operations
- At least 2 years of experience with the equipment, commodity and region (CDL required where appropriate)
- Local or intermediate distance hauls only
- Regular/dedicated routes are preferred
- For new ventures please review our guide: bell-uw.com/new-ventures/

INELIGIBLE 11 western state or 48 state hauls
